Dear Parents / Guardians,

Edu-Dance

Edu-Dance is a creative hip-hop dance program designed for primary school students and was developed in Perth, Western Australia. It provides children with the opportunity to be part of a fun and energetic dance program within their own school community.

The program fulfils the Physical and Health outcome requirements (Dance element) for students and covers many other aspects such as coordination, musical appreciation and self-confidence, and gives many children the opportunity to experience the excitement of performing in front of an audience. Most importantly, it is promoted as a program for fitness and fun.

Edu-Dance will be running over a nine week period starting in Week 2 of Term 3 and culminates with a performance for parents. The cost for this program is \$33.00. We will require all permission forms prior to the program starting on Monday 27 July with payment due by Friday 24 July. Students who have not made payment will be unable to participate from this date. Payment can be made on Flexischools or through the front office.

Please don't hesitate to contact me for any further information.

Thank you.

Kind Regards,

Matt Scott
Deputy Principal
